

ATTENTION ELK AND YOUTH DEER HUNTERS!!

ALL CHECK STATIONS ARE CANCELLED FOR THE MONTH OF NOVEMBER, INCLUDING EG 1 – 3 AND DY-2 HUNTS.

Due to recent surges in the Delta Covid-19 variant and the Public Health Emergency Order No. 2021-017 “Orange Status,” NNDFW will have a limited number of staff in the field and therefore we will be **cancelling EG 1, 2 & 3 and Youth Deer (DY-2) check stations in November.** Checking in your deer and elk for these hunts is **no longer mandatory**; however, we still urge hunters to check in their harvested animals at the main NNDFW office in Window Rock if they can so that NNDFW can take samples for Chronic Wasting Disease testing. To schedule an appointment to check in your animal, please call (928) 871-6450, 8am – 5pm Mon-Fri. However; **Rifle Deer check stations (DG 11, Dec 13-19) will still be in operation.**

Emails notifying hunters of cancelled check stations will be sent out as well; however, some hunters did not have emails on file. If you know anyone that has a hunt in September and may not have heard about the cancellation, please contact them to let them know. **Thanks!**
