

## **Wolf Springs Ranch 2020 Big Game Hunts**

The Landowner Preference Program (LPP) was created to give landowners a preference for hunting licenses to encourage private Landowners to provide habitat that increases wildlife populations for the benefit of all hunters, discourage the harboring of game animals on private lands during public hunting seasons, and relieve hunting pressure on public lands by increasing game hunting on private lands. The LLP is implemented under authority by: Colorado Revised Statutes: Title 33, Article 4, 103 and Colorado Parks and Wildlife (CPW) Regulations: Chapter W2, 206, B, 4.

The Colorado Ranch Enterprise/Wolf Springs Ranch has established the following seasons. Permission to access Wolf Springs Ranch for the established hunting period is needed.

### **Colorado License Requirements:**

- Hunters must have a license to hunt from the state of Colorado. Sign it and carry the original with you while hunting.
- A hunter may hunt only the animal, sex, season, units and method of take authorized by the license.
- Complete season dates may not be printed on the license because of space constraints. Check the details in the Colorado hunt brochure for your specific license.
- It is illegal to give false information to obtain a license. It also is illegal to alter a license or to loan, transfer, sell or give your license to someone else.
- If you lose or destroy your license, a duplicate is available for half the price of the original license, but not more than \$25. You can get a duplicate before the season opens from any authorized sales agent. After the season begins, duplicate licenses are available only at CPW locations.
- Licenses expire on the expiration date printed on the license.
- Nonresidents can continue to use their combo fishing license after harvesting a big-game animal, if the carcass tag is the only part of the license that has been detached. The rest of the license must remain intact.

### **What You Need to Buy a Colorado License:**

1. ID – A securable and identifiable ID. A social security card is REQUIRED for hunters 12 and older.
2. Proof of Hunter's Education
3. Proof of residency for Colorado Residents
4. Habitat Stamp – A 2020 Habitat Stamp (\$10.13) or a Lifetime Habitat Stamp (\$304.11) is required prior to buying a license.

State and Federal law require a social security number to buy a license. It is not displayed on the license but is provided, if needed, to Child Support Enforcement authorities. Hunting and fishing licenses are not issued to those suspended for noncompliance with child support. Any current licenses become invalid if held by an individual who is deemed noncompliant by Child Support Enforcement.

Colorado and federal law prohibits convicted of certain crimes, such as domestic violence, from processing weapons even for hunting. If you've been convicted of a crime, check with the appropriate authorities to find out how these laws apply to you.
